TRAILWEST FOUNDATION

Here to Help in Times of Need!

The TrailWest Foundation is a 501(c)3 nonprofit foundation that was formed in 2017, in the wake of the worst fire season Western Montana had seen in over a decade.

TrailWest Bank employees banded together to start a fund for families affected by the fires.

For every \$1 an employee donated to the fund, the bank matched \$4. By the end of a 3-month period, they had grown the fund to nearly \$95,000. By starting a foundation, the TrailWest Bank family can continue to support its communities for years to come.

Our Mission is simple: Helping our Western Montana neighbors who are in financial need due to an unexpected crisis or life-changing event!

Who Needs Our Help?

Do you know someone who is facing a financial crisis?

Did your neighbor suddenly lose his or her job and is struggling to put food on the table?

Has a family in your community lost its home to fire?

Have you heard about a young child stricken with an illness, with no insurance?

If so, we urge you to fill out the Nomination Form below and we will contact you to learn more about how we can help!

Be a Part of Our Cause

Help us help our neighbors by making a donation to the TrailWest Foundation in any amount by filling out the Contribution Form below. With your support we can help brighten someone's darkest hours!
